

Deep Creek Lake Lions Club Boat Parade Sponsor Form

The Deep Creek Lake Lions Club will be holding a Boat Parade on the lake with multiple sponsorship opportunities. Help support both our Blind Skier/Camper programs and build an event we think will become a Deep Creek mainstay!

When: July 7th, 7pm

Where: Deep Creek Lake, Starts in McHenry Cove

Details: The Parade will depart around dusk from the McHenry cove and proceed past a number of judging stations and heading to Dutch's Silver Tree. We are anticipating at least 20 boats and have a limit of 40 boats for the event. The parade will slow at each judging station and spectators will "vote" for their favorite boats by placing cash in the matching cup for each boat's number. At the end location of the parade, all of the "votes" will be counted and the boat that raised the most money wins a custom pennant and trophy. Runners-up will be awarded prizes from donations (gift cards, baskets, etc). Around 9pm, any lighted boats will proceed back to the McHenry cove for a great picture opportunity. Spectators line the parade route on docks, at businesses and on the roadside, so entering and decorating a boat with your business or organization is a great way to reach lots of eyeballs!

Boat entry (\$100 for businesses/\$50 for non-profits) – Entry fee for a boat in the parade advertising your business or organization with recognition on our website, Facebook page and printed appreciation ad in the Republican following the event

Donations– Donate prizes, resources or cash to the parade and be acknowledged on our website, Facebook page and printed appreciation ad in the Republican following the event as well as getting items like gift certificates or branded items into the hands of home and boat owners on the lake

Please indicate how you would like your organization recognized and provide contact info (person, phone and email) below:

Mailing address: Deep Creek Lake Lions, POBox 630, McHenry, MD 21541

*****Funds raised benefit our Blind Skier and Camper Programs*****
